Matt Grant for Congress — Missouri's 2nd District

Canvass & Phone Scripts

Scripts keep voter contact consistent, on-message, and fast to capture as data. Train every volunteer on these. The goal at the door is not a speech — it's an **ID** (where does this voter stand?) and, for supporters, a **commitment**.

Door Script — Persuasion / ID

Intro: "Hi, I'm [NAME], a volunteer with Matt Grant's campaign for Congress. Do you have a quick second?"

The ID question: "We're reaching out to neighbors before the [ELECTION]. On a scale of 1 to 5, how likely are you to support Matt Grant — a teacher and small-business owner running to lower costs, fund our schools, and protect Social Security and Medicare?"

If 4–5 (Supporter): "That's great to hear. Can Matt count on your vote on [DATE]?" → *Mark Supporter. Offer yard sign / volunteer ask.*

If 3 (Undecided): "Totally fair. What matters most to you this election?" → *Listen. Connect ONE issue to the platform. Leave palm card.*

If 1–2 (Opposed): "I appreciate your time — have a good one." → *Mark and move on. Never argue.*

Close (everyone): "Thanks so much. Here's a card with more info."

DOOR DATA TO CAPTURE
