Special Notices

Notice	Rule
48-Hour Notice	Contributions of \$1,000+ received after the 20th day but more than 48 hours before an election must be reported within 48 hours
Excessive contribution	Refund, redesignate, or reattribute within 30 days of the treasurer's receipt
Electioneering / disclaimers	"Paid for by" disclaimers required on public communications and paid digital ads

Recordkeeping Standard

- Itemize contributions/expenditures over **\$200** aggregate (name, address, occupation, employer).
- Keep records for **3 years**.
- Track primary vs. general limits separately per donor.
- Reconcile the bank account to reported cash-on-hand every report.

Two-Week Lead Alarms

For every deadline above, set a reminder **14 days** and **3 days** prior. Late or inaccurate reports are the most common — and most avoidable — source of FEC penalties.

STALENESS WARNING: Form names and the general schedule are stable, but exact filing dates and dollar thresholds change each cycle. Verify everything against the official FEC reporting schedule at [fec.gov](https://www.fec.gov) before relying on it.
