

GRANT **FOR** CONGRESS

FINANCE PLAN

Fundraising Plan

Matt Grant for Congress — Missouri's 2nd District

Fundraising Plan

A fundraising plan is a budget with a deadline. This document sets the dollar goal, breaks it into sources, and schedules the work — primarily the candidate's call time, which no one else can do.

1. The Goal

Item	Amount
Total budget required (from Campaign Plan)	\$(TOTAL)
Already raised / committed	\$(RAISED)
Remaining to raise	\$(GAP)
Weeks remaining	[WEEKS]
Required pace / week	\$(GAP ÷ WEEKS)

2. Source Breakdown

Source	Target %	Target \$	Notes
Candidate call time (individuals)	40–50%	\$(#)	Highest ROI; protect the hours
Events / house parties	15–25%	\$(#)	Hosts commit to a minimum
Digital / email / SMS	15–20%	\$(#)	Built on launch + earned-media moments
PAC / party (where permitted)	10–20%	\$(#)	Verify limits before soliciting
Candidate self-fund / loan	as needed	\$(#)	Unlimited for federal candidates

3. Federal Contribution Limits (2025–2026 cycle)

Donor	To this campaign (per election)
Individual	\$3,300 (primary) + \$3,300 (general)
Multicandidate PAC	\$5,000 per election
Party committee	\$5,000 per election (+ coordinated expenditures)
Corporation / union (direct)	Prohibited

Primary and general are **separate elections**, each with its own limit. Undesignated gifts apply to the next election. If you lose the primary, general-election money must be refunded, redesignated, or reattributed within the rules.

4. Call Time Discipline

Call time is the engine. Treat it like a scheduled, non-negotiable shift.

- **Block 2–3 hours/day**, minimum, in the build phase.
- Work from a **rated, researched list** (capacity × inclination), best prospects first.
- **Ask for a specific number.** "Can I count on you for \$3,300?" beats "whatever you can do."
- Log every call same-day; pledges aren't money until the check clears.
- A **caller card** for every prospect: name, capacity, connection, past giving, ask amount.

5. The Ask Ladder

Tier	Ask	Prospect pool
Max	\$3,300 / \$6,600 (P+G)	Personal network, business leaders
Major	\$1,000	Engaged supporters
Mid	\$250–\$500	Event attendees
Grassroots	\$25–\$100	Digital, list

6. 90-Day Calendar

Weeks	Focus
1–2	Build & rate the prospect list; launch finance
3–6	Heavy call time; first house party
7–10	Mid-dollar event; digital push on earned media
11–12	Reporting-deadline close-out sprint

Educational information, not legal or financial advice. Verify all current contribution limits and reporting rules with the FEC ([fec.gov](https://www.fec.gov)) before soliciting or accepting funds. Handle donor data securely; never collect SSNs or bank credentials.
